## «7sources beauty & spa»

The 7 sources called "Siebenbrunnen" are the origin river Simme. They spring from a mountain meadow above the Simmen falls directly on the Wildstrubel massif. On its way through a unique landscape all the way to Lake Thun, the Simme releases its energy fluently into the surrounding area. We would like to pass this energy on to you! Water, the source of all life, encourages you to linger, relax and think!

So far you have only combined sauna with hot steam and wooden benches? In the 7sources sauna area we offer you seven different ways to really "sweat". Choose your favourite among sulphur grotto, Finnish sauna (with a view of Lenk), herbal sauna, bio sauna, ice grotto, stone oil sauna and steam bath.

Immerse yourself in the alluring sulphur outdoor pool, which dates back almost 350 years. Warm hydromassage jets gently massage your back in 34°C sulphur water. Bathing in it is very good for the skin and helps with skin diseases, rheumatism and joint pain, stimulates the metabolism and thus the purification. However, you can also simply enjoy the view and the swimming.

Swim a few quick laps in the indoor pool. With its 28°C the pool is pleasantly tempered to meet your sporting goals. To strengthen your circulation and muscles we recommend Aqua Fitness, a training that is gentle on joints and back. Through the water resistance strength is developed and endurance is increased, with simultaneous relief of the spine.

Stop the time. At 7sources beauty & spa you can choose from a wide range of beneficial treatments. You can also benefit from our individual offers such as morning gymnastics.

Effective training increases strength, endurance and concentration. Besides, it also makes you look healthy and helps you to reduce stress. Our personal trainer is looking forward to do a fitness training with you. ⇒

### Example for your seminar with 10 persons:

Power Work-out	CHF 150.00 (30 minutes)
Yoga	CHF 250.00 (1 hour)
Morning gymnastics	CHF 150.00 (30 minutes)
Aqua Gym	CHF 120.00 (30 minutes)

## Berg-Restaurant Bühlberg

Stylish, modern, chic - and yet very rustic and down-to-earth - this is what you can expect from restaurant Bühlberg. Hikers and walkers, cyclists and mountain bikers, skiers and snowboarders are all welcome to "Lenk's most beautiful sun terrace" at 1,664 meters above sea level. We are also very happy to welcome kids if they find the time to leave the huge playground, which is right in front of the door.

In summer and winter, the inn serves authentic Swiss dishes with a modern touch, high quality cheese and milk straight from the alp. And of course you will find the classics of a mountain restaurant in our menu, because those who take the (one to one and a half hour) route on foot or by mountain bike will not seldom simply want a good portion of Rösti.

But it's not only athletes who can be happy that Lenkerhof runs the restaurant Bühlberg as there are many ways up the mountain: a large parking lot and a regular bus also enable parents or grandparents with buggies, people with handicaps or simply those who are not in a mood of walking a comfortable way up the mountain. From there the view over Wildstrubel, Wildhorn and the Plaine Morte is truly breathtaking.

In the "alpine-chic" furnished **seminar room** on the Bühlberg you can think especially well. Let the mountain air inspire you and enjoy the breathtaking view of the valley. ⇒
